In lieu of a Planning Commission meeting, the City is hosting an informal “panel discussion” to educate the community about the value of trees as well as mitigation and removal options. The panel will consist of two developers and two urban foresters to gain differing professional perspectives. **This is not a public hearing**, formal public hearings on trees on private property will be held at a later date.

**Tree panel tentative agenda:**

1. **Introduction of Panelists** – Kristin Ramstad, Todd Prager, Ken Eagon & Randy Sebastian
2. **Panel Discussion**
3. **Questions from the Audience** – the panel will answer questions about trees on public property
4. **Closing comments**
